Dear sir,

All Praise is for Allah, Lord of the worlds, and may the Peace and Blessings of Allah, the Glorified and the Exalted, be upon His Beloved Prophet Muhammad, the last of the Prophets.

Please allow me to seize this opportunity to write to you direct and to pray that Allah, the One God to be worshipped, Guides you to the Right Path (Tariqa). In so praying, I invite you to accept Islam. To do so, you have to believe in your heart and proclaim it with your tongue before a witness as follow:

I bear witness that none is worthy of worship except Allah, and I bear witness that Muhammad is His Prophet.

This testimony will make you a Muslim and God willing, you will enter paradise. May Allah save everyone from the dreadful punishment of hell-fire. But Allah tells us in the Holy Qur'an not to despair of His Mercy which knows no bounds, provided there is sincere repentance.

So, accept Islam and join the Ummah in the Ahlu Sunnah wal-Jama-ah to which 85% of Muslims belong. You will be a brother to fellow Muslims across the world, sharing in their joys and sorrows. At present, the wounds in the heart of a Muslim are so deep, he has no strength left even to cry. On becoming a Muslim, you will share in that sorrow. Perhaps Allah will give you hidaya (guidance) to see with your own eyes the plight of the poor Muslims across the world, as well as the strength of their iman (faith) and the intensity of their love for the Prophet, peace be upon him. Your life will have been transformed into total submission to the Will of Allah and the Love of His Prophet, the ahlul bayt (his family), the sahaba (his companions), the awliya (saints) and the saleheen (the pious). Ammeen, may it be so.

May Allah, the One God Whom all the Prophets, peace be upon them, worshipped, guide you to the Right Path, Ammeen.

I am sincere in this.

Signed.

SIDDIQ NOORMUHAMMAD.
