Al-Habib's father نفعنا الله reached the spiritual rank of nujaba'

He (my shaykh) said, may Allah be pleased with him.

My father (Taha al-Haddad نفعنا الله) reached the spiritual rank of nujaba'. (The nujaba' are outstanding noble saints). Every day, he used to recite 20 ajza', (plural of juz, part) of the Qur'an. This was additional to his other awraad and adhkaar (regular voluntary devotions, and remembrance of Allah تعالى).
