Al-Habib نفعنا الله came to Kenya from Hadhramaut only when instructed by Allah's Most Beloved, Prophet Muhammad al-Mustafa ﷺ

Narrated by al-Habib's grandson, the compiler of Manba' u'l-Imdad (A Fountain of Help).

When I mentioned to my master, my grandfather, may Allah make us benefit from his spiritual mysteries, that we heard that al-Habib al-'Arif Billah Muhammad bin 'Adnan al-Ahdal نفعنا الله, Sahib Lamu said: "Al-Haddad does not leave Hadhramaut for the coast of Kenya with his own wish until he is instructed by al-Habib al-A'zam, Allah's Most Beloved (Muhammad al-Mustafa ﷺ)". My master, may Allah be pleased with him, said: "That is so".
