

## Second Dars on page 195

**Al-Habib <sup>الله</sup>نفعنا به always recited Surah al-Fatiha exactly as his shaykh al-Habib Ahmad bin Hasan al-‘Attas <sup>الله</sup>نفعنا به recited it**

He (my shaykh) said:

I prayed Salat al-Fajr behind al-Habib Ahmad bin Hasan al-‘Attas <sup>الله</sup>نفعنا به when he came to Qaydun to visit (do the ziyara of) Ash-Shaykh Sa‘id bin ‘Isa al-‘Amudi <sup>الله</sup>نفعنا به. In the first rak‘ah, he recited Surah “al-Fajr” and in the second rak‘ah, Surah “Laa ‘Uqsimu bi hadhal balad”. On that day, I took to heart the way al-Habib Ahmad bin Hasan <sup>الله</sup>نفعنا به recited the Fatiha. Till now, I recite the Fatiha just like al-Habib Ahmad bin Hasan <sup>الله</sup>نفعنا به. Once I prayed with his son al-Mansab ‘Ali bin Ahmad. After the Salah, I saw him weep and he said to me, “You recite the Fatiha just as my father used to recite.” Or as he (my shaykh) said, (in his own words).
