Al-Habib's shaykh, al-Habib Ahmad bin Hasan al-'Attas ^{نفعنا الله} came to al-Habib ^{نفعنا الله} from Barzakh (the Intermediate Realm) to give him a gift

My master said, may Allah be pleased with him.

One night when he was reciting a book, he fell asleep while he was reciting it. He saw al-Habib Ahmad bin Hasan al-'Attas ^{نفعنا الله} give him dirhams and these were two ten shilling notes. Then he woke up and returned to the recitation. When he had gone through some pages, he saw these dirhams which al-Habib Ahmad bin Hasan al-'Attas had given, between the pages. So my master said that he knew that this was a gift from Barzakh (the Intermediate Realm) from al-Habib Ahmad bin Hasan. Or as he said, in his own words.
