

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

In the name of Allah, the Beneficent, the Merciful

Introduction

All Praise is for Allah ﷻ and may His peace and blessings be upon our Beloved Holy Prophet Muhammad ﷺ.

Allah ﷻ has blessed us with the Holy Qur'ān, and it is our responsibility to learn and understand it to the best of our ability. With the intention to seek knowledge about the Holy Qur'ān in mind, and with the Blessing of Allah ﷻ, we have compiled this book about the teachings of the Holy Qur'ān derived from Surah Āl-'Imran.

We dedicate this book to Allah ﷻ.

Prior to working on this book, we recited Surah Āl-'Imran in Arabic, with the English and Urdu translation; as well as the Tafsīr in Arabic, Urdu and English. Once completed, we recited the verses of Surah Āl-'Imran and compiled a list of significant words and phrases, which were finally categorized into various headings and sub-headings.

The process of writing this book necessitated significant guidance and explanation, and we are very grateful to Ustadh Siddiq Osman Noormuhammad for fulfilling this responsibility.

We are also sincerely grateful to Brother Abid Paiker for incorporating the Arabic text from the Holy Qur'ān into this book.

Al-Hamdu Lillah, we worked as a team with consultation and shared out the tasks. We have worked with diligence to ensure accuracy; however mistakes are bound to occur and we seek the forgiveness of Allah ﷻ for such shortcomings.

We also seek continued guidance and knowledge from Allah ﷻ so that we may continue to learn more about the Holy Qur'ān, and lead a life in accordance to the Sunnah of the Holy Prophet Muhammad ﷺ.

Al-Fātiha!

References: Various translations of the Holy Qur'ān were referenced.

Explanations:

1. Only the first verse number is given where the word or phrase occurs. The only exception is the **Name of Allāh** ﷻ, where all the verse numbers are given for this occurrence.
2. Words that refer to Allah ﷻ, such as “He” or “Him” begin with a capital letter.
3. The words and phrases are given in the sequence in which they occur in Surah Āl-‘Imrān.

Ash-Shukr

We are thankful to Allāh ﷻ, Lord of all the worlds, for granting us the ability to accomplish this task through His Grace and Mercy. We are also thankful to our Beloved Holy Prophet Muhammad ﷺ, Sāhibul-Bayān (the possessor of the Qur'ān), through whom the Qur'ān was revealed and taught to his Ummah.

We thank our parents for their guidance and du‘ā.

Du‘ā

O Allāh! Grant us the ability to read, understand, and act upon the Divine Teachings of the Holy Qur'ān, and grant us the ability to follow the beautiful and blessed Sunnah of our Beloved Holy Prophet Muhammad ﷺ, whose “nature was the Qur'ān” (Muslim).

We make du‘ā for our grandparents and relatives who have passed away, that may Allah ﷻ give them a high place in Paradise. Āmīn. O Allah! Open the hearts of non-Muslims to Islam. O Allāh! Bestow peace on all the Muslims. Āmīn.
